Easy Ground Beef Stroganoff (Hamburger Helper)

Braydon Chanthavone

Ingredients

- 1 pound lean ground beef
- 1 small onion finely diced (yellow or white)
- 1 teaspoon garlic powder
- ½ teaspoon onion powder
- ½ teaspoon salt
- ½ teaspoon pepper
- 1 packet (0.87 oz) brown gravy mix
- 1 cup water (follow gravy mix instructions)
- 1 can (10 oz) cream of mushroom soup
- 1/2 cup sour cream
- 2 teaspoons dried parsley
- 1 bag (12 oz) wide egg noodles

Method

1. Fill a pot with water and start it boiling while you cook the ground beef mixture. That way once the meat is ready to simmer, the water is already boiling, then you can add your egg noodles in.
2. In a skillet pan, over medium-high heat, cook and crumble the ground beef, onion, garlic powder, onion powder, salt & pepper until ground beef is no longer pink.
3. Drain the excess grease/liquid.
4. Whisk together the contents of the gravy packet with the water until combined. Pour this into the ground beef.
5. Add the sour cream, cream of mushroom soup, and stir everything together until combined.
6. Let the mixture simmer over medium or medium-low heat while the noodles cook (about 10 minutes).
7. Cook noodles according to package instructions. Remember to add about 1 teaspoon of salt to the boiling water so the noodles have flavour.
8. When the noodles are done cooking, drain them but do not rinse them.
9. Add the noodles and dried parsley into the creamy ground beef mixture and stir together to combine.
10. Serve!

Cinnamon Buns

Ingredients

Lindsey Beal

Dough

- 2 teaspoons active dry yeast
- 1-1/4 cup of warm water
- 3 tablespoon butter - softened
- 3 tablespoon sugar
- 2 tablespoon milk
- 1 tsp salt
- 3 cup bread flour

Sauce

- ½ cup brown sugar
- ¼ cup butter
- ¼ cup corn syrup

Cream Cheese Icing (optional)

- 1 brick of cream cheese
- Icing sugar (1/2 to 1 cup) and vanilla to taste (1tsp).

Method

1. Filling: Roll out dough and spread melted butter all over. Cover dough in brown sugar and cinnamon.
2. Sauce: In a large bowl, dissolve yeast into the water. Add butter, sugar, milk, salt and 2 cups of flour. Slowly add in the rest of the flour to form a soft dough.
3. Turn onto a floured surface, knead dough until smooth and elastic. Place in a greased bowl turning dough once to grease the top. Cover and let rise in a warm place until doubled in size (about an hour)
4. Once dough has risen, turn onto a lightly floured surface and roll into a rectangle (about 16 in x 10in). Spread butter, brown sugar and cinnamon over the entire surface. Roll up into jelly roll style, cut into 12 equal slices.
5. In a saucepan, melt the butter and then add in the corn syrup and brown sugar over medium heat until sugar is disolved. Pour into a greased (or use parchment paper) 13 x 9 pan. Please the rolls cut side down over the sauce and let rise for about 30-45 minutes.
6. Bake at 375 for about 20 minutes or until golden brown. Once down, turn onto a baking sheet to let cool.
7. Optional cream cheese icing: Whip together and spread on top of cooled cinnamon buns.

Antojitos

Jennifer Downing

Ingredients

- Tortillas: 4-5 flour tortillas
- Cream Cheese: 8 oz, softened
- Cheddar Cheese: 1 cup, shredded
- 1/2 cup finely diced bell pepper
- 4 green onions, thinly sliced
- 1-2 jalapeños finely diced
- Sour Cream: For serving

Method

1. Preheat your oven to 375°F (190°C) and line a baking sheet with parchment paper.
2. Prepare the Filling: In a mixing bowl, combine the softened cream cheese, shredded cheddar cheese, diced vegetables. Mix until well combined. If the mixture is too watery, squeeze out excess moisture from the vegetables using a paper towel.
3. Assemble the Antojitos: Spread a layer of the cheese mixture evenly over each tortilla, leaving about 1/2 inch from the edges. Roll the tortillas tightly like a cigar and place them seam-side down on the prepared baking sheet.
4. Bake: Bake in the preheated oven for about 15-20 minutes, or until the tortillas are golden and the cheese is melted and bubbly.
5. Serve: Allow the antojitos to cool slightly before slicing them into pinwheels. Serve warm with sour cream for dipping

Tips: Prior to baking, pre-slice half way thru the tortilla roles so when it is hot it is easier to cut and doesn't squeeze out the filling.

French Onion Baked Lentils and Farro

Jessica Mullen

Ingredients

- 2 pounds (910 grams) yellow onions (4 large or 5 medium), sliced
- 2 tablespoons (30 grams) unsalted butter
- 1 tablespoon (15 grams) olive oil
- Kosher salt and freshly ground black pepper
- 2 tablespoons (30 ml) dry sherry, vermouth, or white wine (optional)
- 2 cloves garlic, minced
- 1 1/2 cups (300 grams) dried farro
- 3/4 cup (135 grams) dried lentils, any variety, but green (le puy) or brown (italian) are my favorites here
- A few sprigs of fresh thyme
- 6 cups (1.4 liters) vegetable broth + splashes more, if needed
- 2 cups (8 ounces or 225 grams) coarsely grated gruyere cheese

Method

1. Caramelize your onions: Heat butter and olive oil in a large, deep saute pan, ideally one that's ovenproof, over medium heat. Add the onions, toss to coat them in butter and oil and cover the pot. Reduce the heat to medium-low and let the onions slowly steep for 15 to 20 minutes
2. Heat your oven: To 375°F (190°C).
3. Assemble casserole: Add garlic to the onions and cook, stirring, one minute. Add sherry, if using, and cook until it disappears. Add the farro and cook for 2 minutes. Add lentils and 6 cups broth and thyme and bring the mixture to a simmer. Season well with salt and pepper as needed. If your pan isn't ovenproof, transfer it at this point to a casserole dish.
4. Bake the casserole: Cover the pan and bake, stirring about halfway through, until the lentils and farro are tender, 40 to 50 minutes. If all of the liquid has absorbed, either at the midway through point or at the end, add another 1/4 to 1/2 cup splash of broth. We're looking for a risotto-like looseness or light "slosh" in the pan. Fish out thyme stems.
5. To finish: Sprinkle the dish with gruyere and broil until browned on top.
